WEST LAKE

The development of the Chinese style of cooking began thousands of years ago in the Yin-Shang dynasty. Each succeeding dynasty has enriched and refined the styles of Chinese cooking. The level and diversity of Chinese cooking today has made Chinese cooking world renowned.

Our West Lake Restaurant serves Chinese food specialties from all regions of China. Our staff will assist you to select dishes which match your own taste and dietary preferences. We encourage you to learn about the tasty and nutritious dishes which can be part of a healthful diet, promote weight control, and keep the body in good physical condition.

Our menu cover, drawn by a native Chinese artist, shows Hsian Ong, a traditional god of long life. You may notice that from the top of his cane hangs a gourd which is said to contain a potion ensuring a long, full life. The bats in the picture symbolize happiness and good fortune. The deer represents success and prosperity.

Please enjoy our daily specials, eaten here or taken out. We greatly appreciate your comments and suggestions about our food and service.
